# Foreword

*In the past we have had a light which flickered, in the present we have a light which flames, and in the future there will be a light which shines over all the land and sea.*

*—Winston Churchill*

Light has always influenced our lives. In the beginning, there was the sun—the source of life and energy. The moon was the symbol of romance. And then man discovered fire to give light, and warmth, and to cook his food. As civilization developed, man discovered unlimited uses of electricity, and finally the power of the atom.

Since the time of the ancient Greeks, the torch has been the symbol of the Olympic Games. It represents man's physical strength. Once again, in February, 1968, this traditional symbol was lit to open the 10th Winter Olympic Games in Grenoble.

It was Diogenes, who took a lantern and searched all of Athens for an honest man. The lantern, since then, has been a symbol of truth.

This year, we of the *Ei Lancero* staff have strived to produce "the best" of all Norwalk's annuals. We have created in this yearbook an unusual theme, and have attempted to make each student, teacher, and administrator more aware of the influences of the "lights in our lives."

We now present to you, the student body, faculty, and administration of Norwalk High, the 1968 *Ei Lancero*.

From Beginning Band, where newcomers learn to play a musical instrument, to the Lancer Band, where musically inclined students have an opportunity to perfect and perform their talents, the Norwalk bands have proved themselves to be active, interested, and valuable to Norwalk High.

Director, Mr. La Bonte, has worked hard and long with these groups, helping them in their many efforts.

The Majorettes and Banner Carriers are colorful accessories to the Lancer Band in parades and half-time shows.

## Proud Lancerettes Encourage School Spirit

### LANCERETTE DRILL TEAM

One of the most active groups on campus is the Lancerette Drill Team. They have brought home highest awards from the Chaffey, Hawthorne, and Redlands parades; they also competed in the State Championship.

The highlights of half-time shows at football and basketball games were their sparkling performances.

The Lancerettes sponsored the annual spring Lavender and Lace Ball, at which they announced next year's drill team members and leaders.

The drill team's purpose is to create spirit and represent our school—they are perfect examples in both fields.

Discussing plans for the next performance are Captain Leanne Gray, Colonel Patti Dennis, Advisor Mrs. Mullins, and Captain Karen Busk.

A lot of hard work and long practices are put in by the Lancer Pep Squad in preparation for a game or competition. Yell leaders, song leaders, and flag twirlers combined, support our teams at athletic events by promoting school spirit.

Working on their own time after school and during summer vacation, they also prepare for spring competitions. One of the more outstanding is the Teen-Age Fair.

Mrs. Brunner advises this group in their many efforts, trials and errors.

Though much hard work is involved, the Pep Squad insists that it is well worth it for all the fun, excitement and satisfaction.

### NORWALK HIGH SENATE

The Norwalk High Senate has been a very important organization on campus this year, always ready to serve their school when necessary and make suggestions for improvement.

Senators were elected from each home-room class to serve a term of one semester, during which they attended monthly or bi-monthly meetings.

Mike Eshom, Student Body Vice-President, presided over the meetings to discuss prevailing problems and ideas. Director of Activities, Mr. Del Westlund, advised the group in their efforts.

Probably one of the most nagging problems during the year was keeping the campus clean. The senate took action on this by temporarily suspending snack. After one week, the students had learned their lesson.

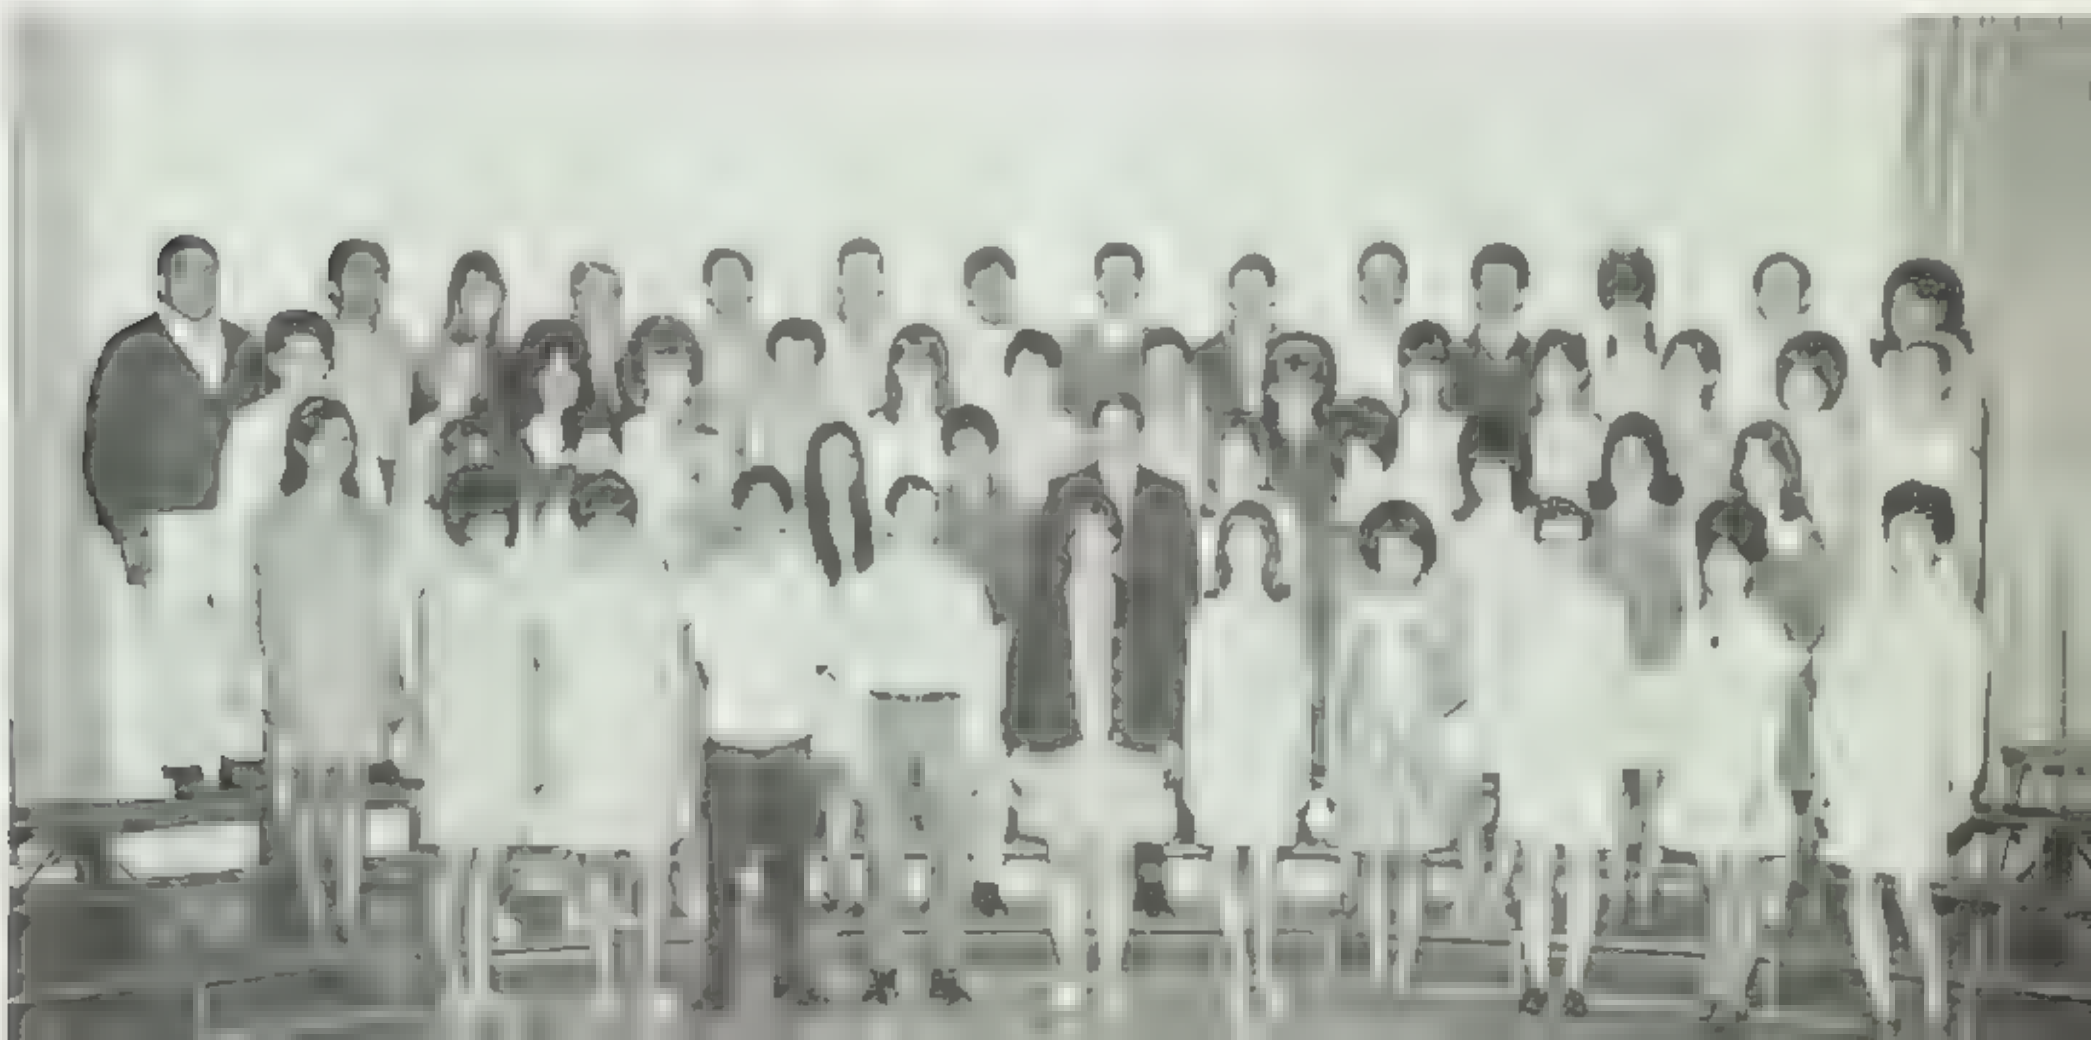

Mr. Westlund and Mike Eshom plan for the senate and various activities on campus.

## Homecoming - 1967

Homecoming 1967, sponsored by the Senior Class, was a week-long celebration of contests, games, decorations and general excitement on the NHS campus.

Each day a contest was held at snack among the princesses and their escorts. They rode tricycles, ate pies and tossed eggs. The contest ended in a five-way tie.

Friday night the radiant princesses awaited the Homecoming ceremonies. The time arrives, and an excited hush

fills the stadium. "Debbie Dusatko" is announced from the loudspeaker. Debbie, excited and crying, is awarded a beautiful bouquet, crowned, and given the traditional kiss from S. B. President Gary Smuts. Proudly and happily Debbie and her court leave the field to watch the remainder of the game.

After the game, NHS students and alumni attended the Homecoming dance at Cerritos.

## A Wonderful Evening For "Wishing

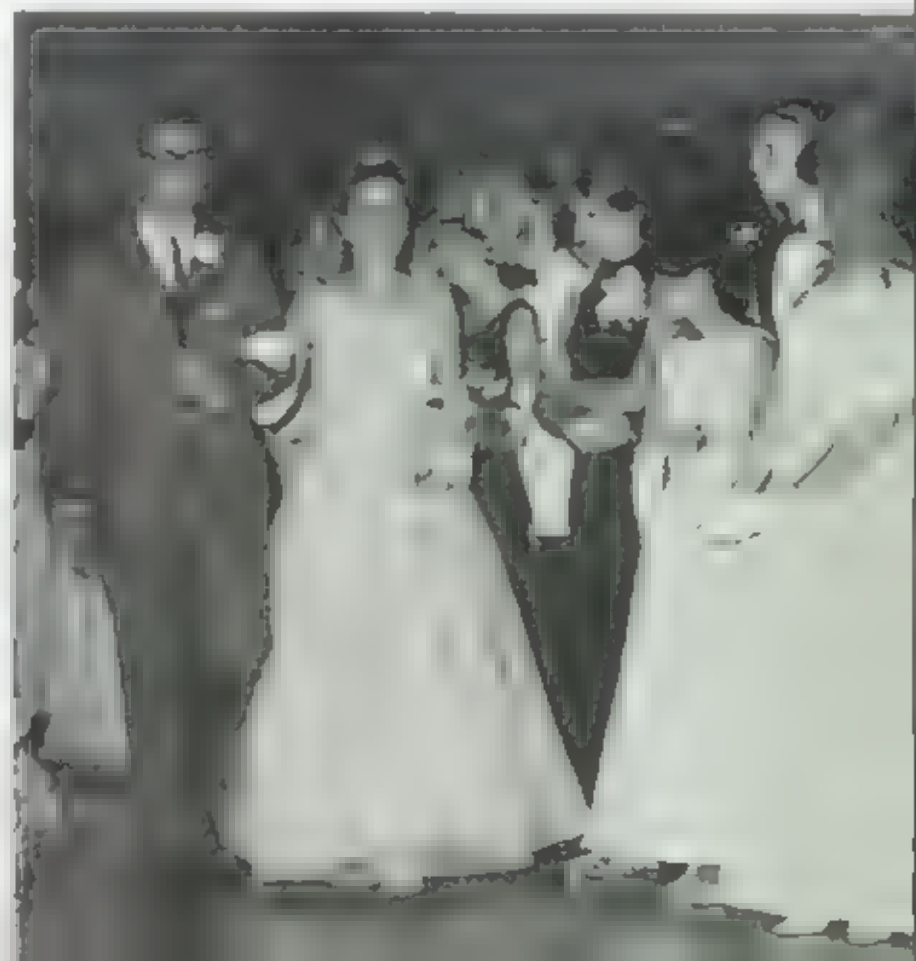

The traditional Grand March, introducing the past year's drill team and pep squad, was a happy moment for Janice Grabek and Mike Ferrado.

Thousands of twinkling silver stars adorned the ceiling; royal blue and lavender decorations covered the walls; the wishing well, filled with water, stood on the floor. All of these decorations fulfilled the theme of "Wishing on a Star" at the 1968 Lavender and Lace Ball.

#### VOCAL DEPARTMENT

The vocal department has helped to provide Norwalk with inspiring concerts and assemblies throughout the year. Directed by Mr. Waldmann and Mr. La Bonte, they rehearse during class and in their spare time.

Most of the members of these groups are very active in school; they are involved in band, drama, drill team, athletics and school government. They enjoy singing and their enthusiasm helps to provide their audiences with very enjoyable performances.

Many angles of journalism are taught and practiced in El Lancero Staff. The first task is choosing a theme and working it through the entire book. Once this is settled, picture orders go out, copy and text orders come in, and with a lot of hard work, quick thinking, and long hours, the El Lancero is presented to the Student Body.

Every two weeks, sixteen times a year, Norwalk High students picked up their copy of the Voice. In it they saw the results of reporting, creative writing, editing, and proofreading that is continuously being done in Voice Staff. Some of the articles and editorials were printed in local Norwalk newspapers. In addition, the staff received a "First Class" rating from the UCLA Journalism Day.

2nd Semester Girls' League Cabinet

A memorable moment for Girls' League officers and audience was the Girls' League Installation. The candle-lighting ceremony was carried through with great happiness on the part of the new officers, and a bit of sadness for the outgoing cabinet.

## G.L. Officers Have A Busy Year

President Corinne Torres and her cabinet worked hard this year to make Girls' League a success. They were aided by their advisor, Mrs. La-Doyle Craig.

The Girls' League Cabinet has been a hard-working, cooperative, appreciated group on the Norwalk campus. Each girl has served the Girls' League and the school with eagerness and pride.

The Freshman girls were cheerily greeted at the beginning of the year during the Big-Little Sister Day, and the program was carried through to the Ice-Cream Social.

Other activities included the Homecoming corsage sale, the Christmas Ball, the Faculty Christmas Tea, the Girls' League Installation, and various girls' assemblies.

The first official act of newly installed president, Chris DeMendoza, was to install past president, Corinne Torres, as Senior Representative.

Tacos, bermuda shorts, and hot weather were all new experiences this year for Angelika Storm, Norwalk's foreign exchange student. Angie arrived from Northern Germany in August and stayed with the Gray family during the past year. Senior Leanne Gray was Angie's American "sister." After Angie got used to the many changes here, she seemed right at home.

Mr. Rodgers warmly welcomes Angelika to the campus.

## ROOTERS CLUB

**ROOTERS CLUB** is a highly spirited and energetic group at Norwalk. During football season the members keep busy by decorating the goal posts, painting posters, and sponsoring the very popular White Shirt Section. They also promote the sale of rooters buttons and stickers. This group is one of the most active encouraging school spirit throughout the year.

#### DRAMA CLUB

The members of the DRAMA CLUB are very active in producing the plays presented at Norwalk High. Any student interested in drama may become a member of DRAMA CLUB. These students also work hard at representing Norwalk at the many drama festivals throughout the year.

#### THESPIANS

THESPIANS is a national group of students interested in drama. Before becoming a member, a student must earn a certain number of points. He gains these points by participating in various plays, either behind stage or as an actor. It takes about a year of hard work to earn the title "Thespiian," which is quite an honor.

### PHOTO SERVICE

The members of PHOTO CLUB keep very busy taking pictures for the school newspaper and yearbook. They cover most of the events on campus to get the pictures needed by the school. They also sponsor a yearly Miss Photogenic contest.

### LANGUAGE CLUB

LANGUAGE CLUB is composed of students on campus interested in the foreign languages which include Spanish, French, and German. Through programs presented at the monthly meetings, the members have a chance to learn about foreign habits and customs.

## CSF Follows Motto Of "Scholarship

President Steve Sharp leads a discussion on fund-raising activities.

CSF encourages academic excellence from its members. To become a member of this statewide organization, a student must earn at least three A's, one B, and no grade below a C on his semester report card. The club, under the guidance of Mr. Wong and Mr. Ivancevich, participates in a service project. One project undertaken this year was to prepare a Christmas basket for a deserving family in the community. For a change of pace, CSF members take two field trips each year: one educational and one entertainment trip. Membership in CSF is something to be very proud of.

CSFers ham it up outside the theater on the first semester field trip. The members enjoyed the movie "Gone With the Wind."

Mr. Wong frisks Mr. Ivancevich before boarding the bus for "Gone With the Wind."

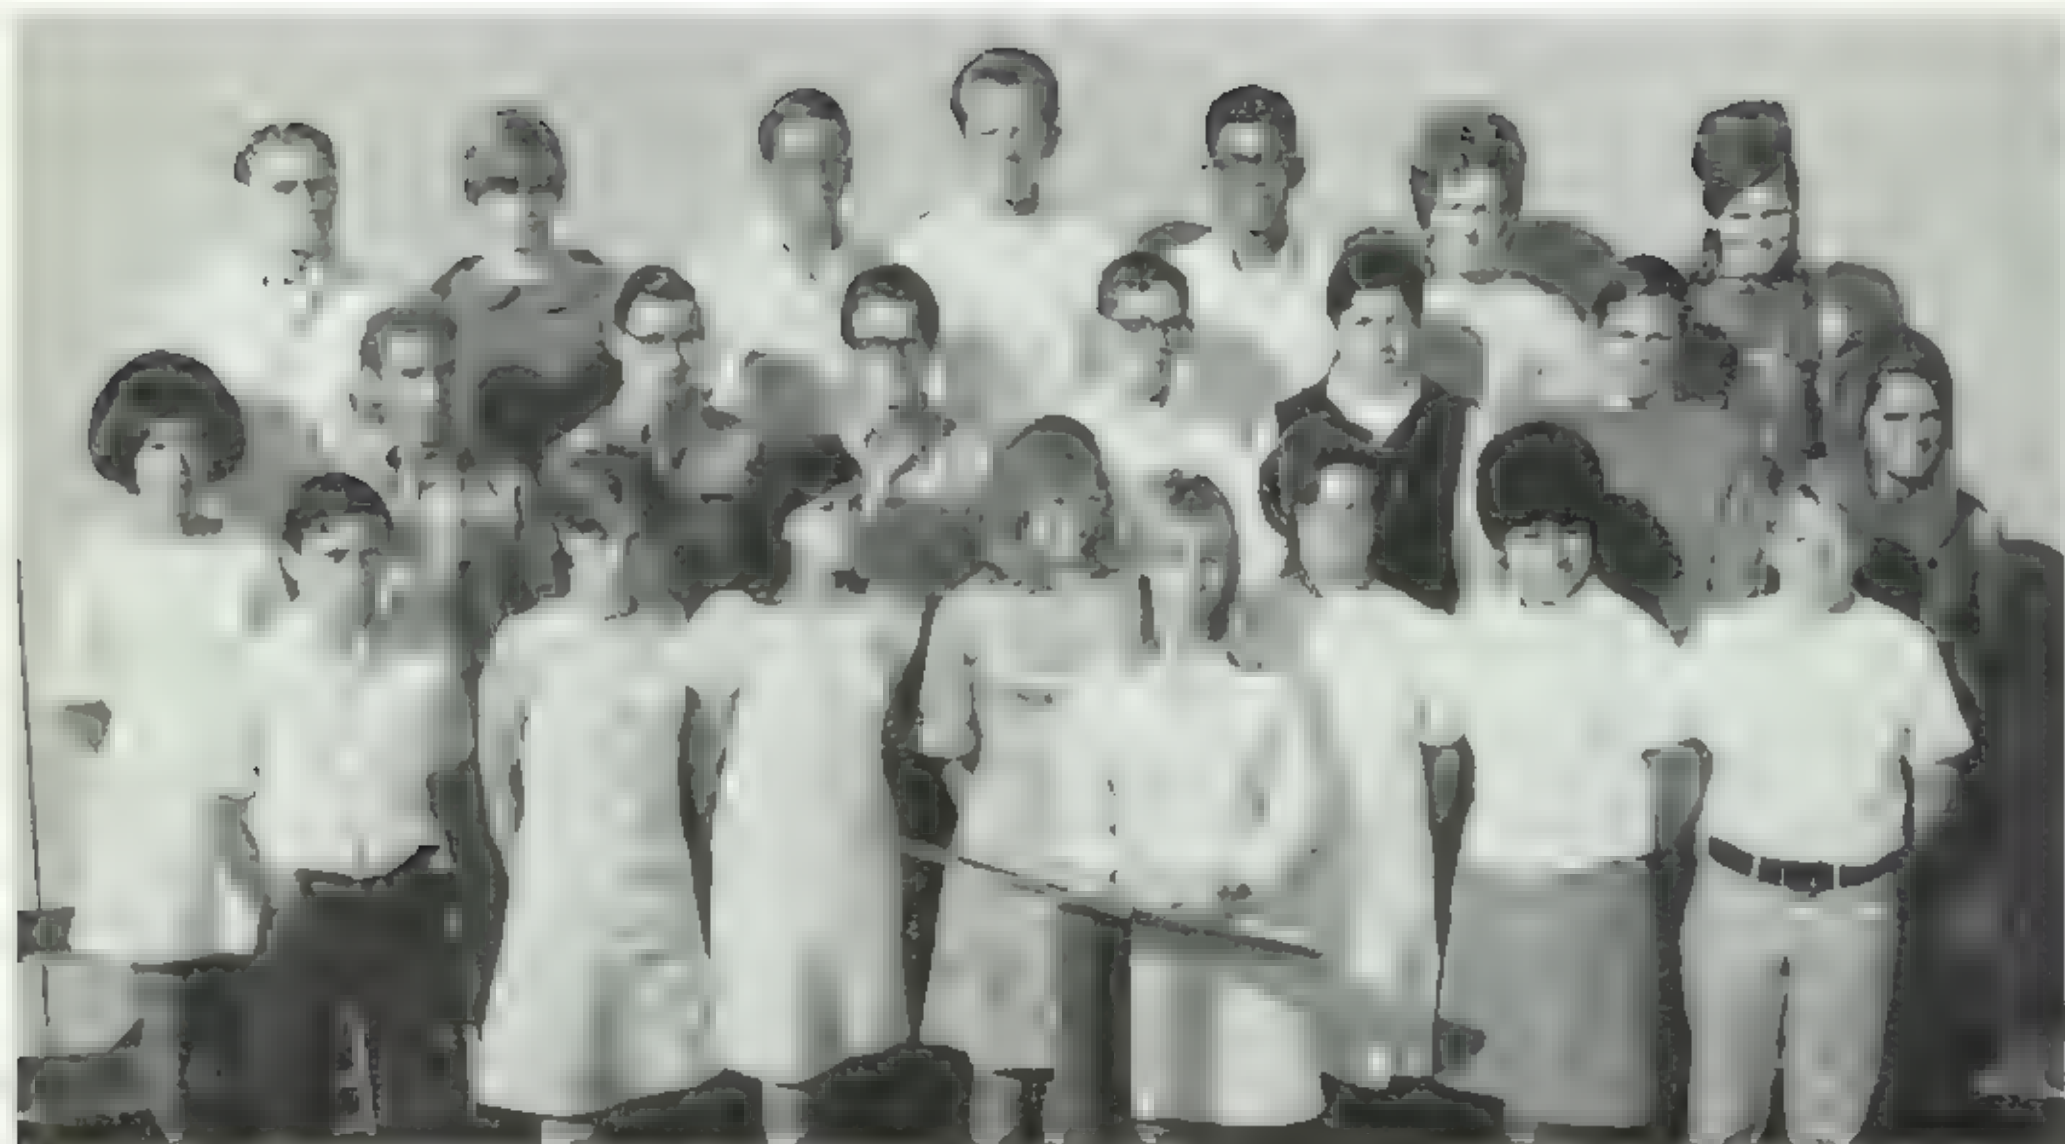

First semester officers Georganne Leyh, Jerry McKnight, Steve Sharp, Margaret Baird, and Leanne Gray talk over plans for a service project with the advisors, Mr. Wong and Mr. Ivancevich.

## NFL Gives Speeches With

Always ready to say a few words, NFL members discuss plans for next year

### NATIONAL FORENSIC LEAGUE

National Forensic League, Norwalk's speech squad, is a very demanding activity. Twenty-five NFL points, earned at speech tournaments during the year, must be gained to be eligible for membership. Competition is held in original speaking, interpretive speaking and debate. A student congress, in which students discuss and vote on bills; Kiwanis and Lions Clubs speeches; and luncheons presented in honor of speech students are some additional opportunities for speaking offered to speech students. Norwalk was very proud this year to have three of its members chosen to appear on the television program "The New Society." We are honored to have such a hard-working group representing Norwalk High.

First Semester Cabinet—Seated: Bev Hartt, recording secretary; Pat Hale, president; Corrine Anderson, 2nd vice-president. Standing: Margaret Garcia, treasurer; Mike Stanfield, sergeant-at-arms; Carole Porter, 1st vice-president; Debbie Hanson, press secretary.

**P.T.A. BOARD** This year our Parent Teachers Association was a great success. The board headed by Mrs. Sue Verhulst, president, worked very hard. Ways and Means projects included having refreshments at "Back to School Night" and "Open House." P.T.A. sponsored sock hops after football games. They had live bands and had very good attendance. They as-

sisted in making appointments for Freshmen Counseling during the summer. They also assembled 2,200 handbooks which were sent to students' homes. This year they had 265 members, including 100% teacher membership. They have contributed much to our school and should really be congratulated on a great year.

# Principal And Assistant Principal

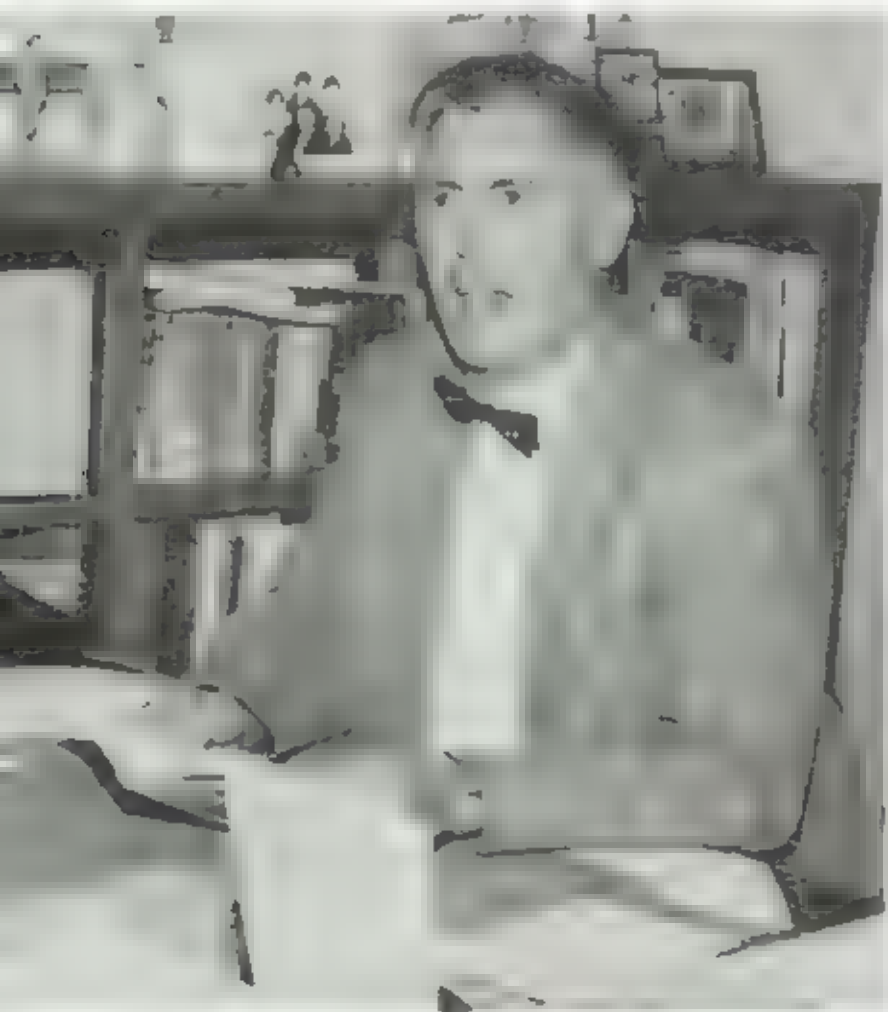

Mr. Rodgers works after hours on the master schedule

Mr. Orval Rodgers is Principal of Norwalk High School. His job in general is to guide and direct the educational program of the school, to delegate all administrative and teacher assignments, and to be responsible for all areas involved in general operation of the school. A few specific things are to prepare a master schedule of classes, establish a budget, visit the classrooms, help teachers. After all these hard tasks, he still keeps his warm personality and friendly smile. He is there to help everyone who needs him. The students who have worked with him this year and in the past have gained a high respect for him. Everything he does is for the benefit of our school.

Mrs. Nancy Clifford keeps Mr. Rodgers' appointment book up to date.

# Begin A Hard Working Year.

Mr. McKenna has suggestions on everything from curriculum improvement to running the thermofax

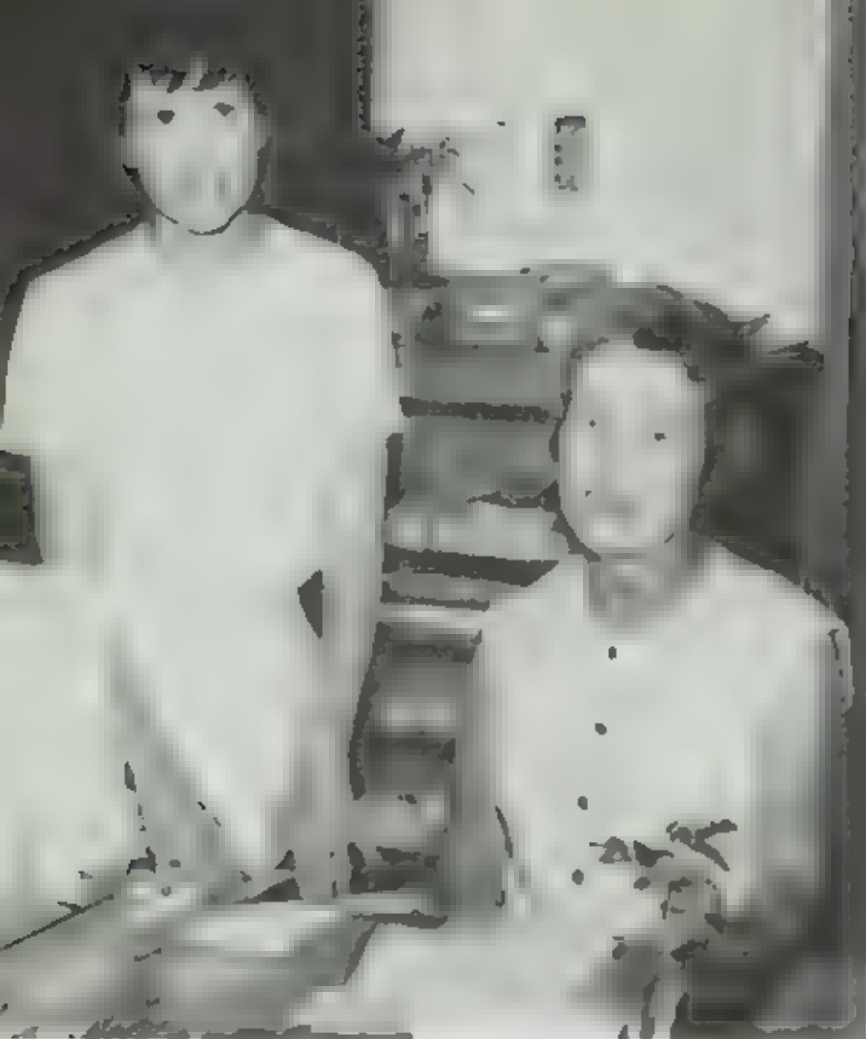

Mr. Laurance McKenna is our Assistant Principal. He has many responsibilities. A few of them are to order all materials needed for the teachers to work with, plan the summer school program, be in charge of making up the curriculum, keeping everything running smoothly in the classrooms, and helping Mr. Rodgers and the counselors in scheduling. Mr. McKenna's secretary is Mrs. Walker and together they strive to do the very best for Norwalk High which takes a lot of work and time.

## A Much Appreciated Administration

Mr. George Kimball  
Boys' Vice Principal

Mrs. La Doyme Craig  
Girls' Vice Principal

Mr. Kimball and Mrs. Craig work with the boys and girls of Norwalk High. They carry out school policies of discipline. They work with parents and with outside agencies for the betterment of the student. They also work with juvenile authorities, keep merit records, and supervise all school activities. They have proved themselves able to work for the individual and for the student body as a whole. Along with their secretaries, Mrs. Davis and Mrs. Tuthill they have contributed much to our school.

John Kuhn listens to some good advice

Mr. Art Turman accomplishes a lot with one phone call.

Mr. Don Sondergard and secretary Darlene Henry take a break from the busy, busy attendance office.

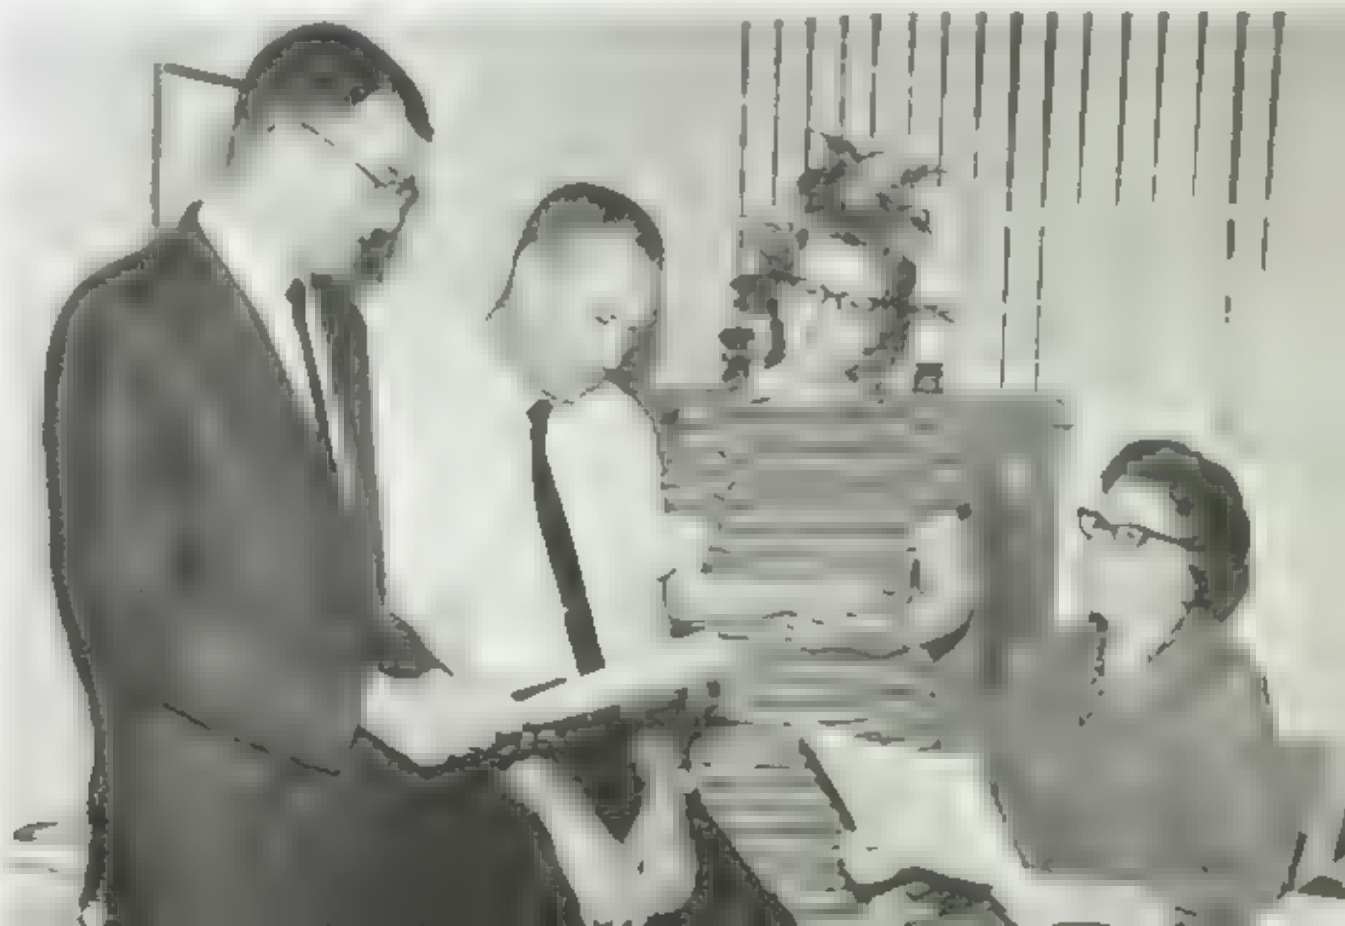

Mrs. Rose Allen  
Head Counselor

All of the counselors work with and for the students. Each grade level counselor works with many students. He attempts to give them the program which will have the most beneficial courses included in it. The attendance counselor, Mr. Sondergard, and his secretary, encourage regular attendance of all students.

Counselors Art Turman, 11th; Les Bringer, 10th; Estelene Carter, 9th; and Rose Allen, 12th, hold meetings to keep things running smoothly.

Mrs. Irene Gallstead shows Mrs. Jody Bottema a student transcript.

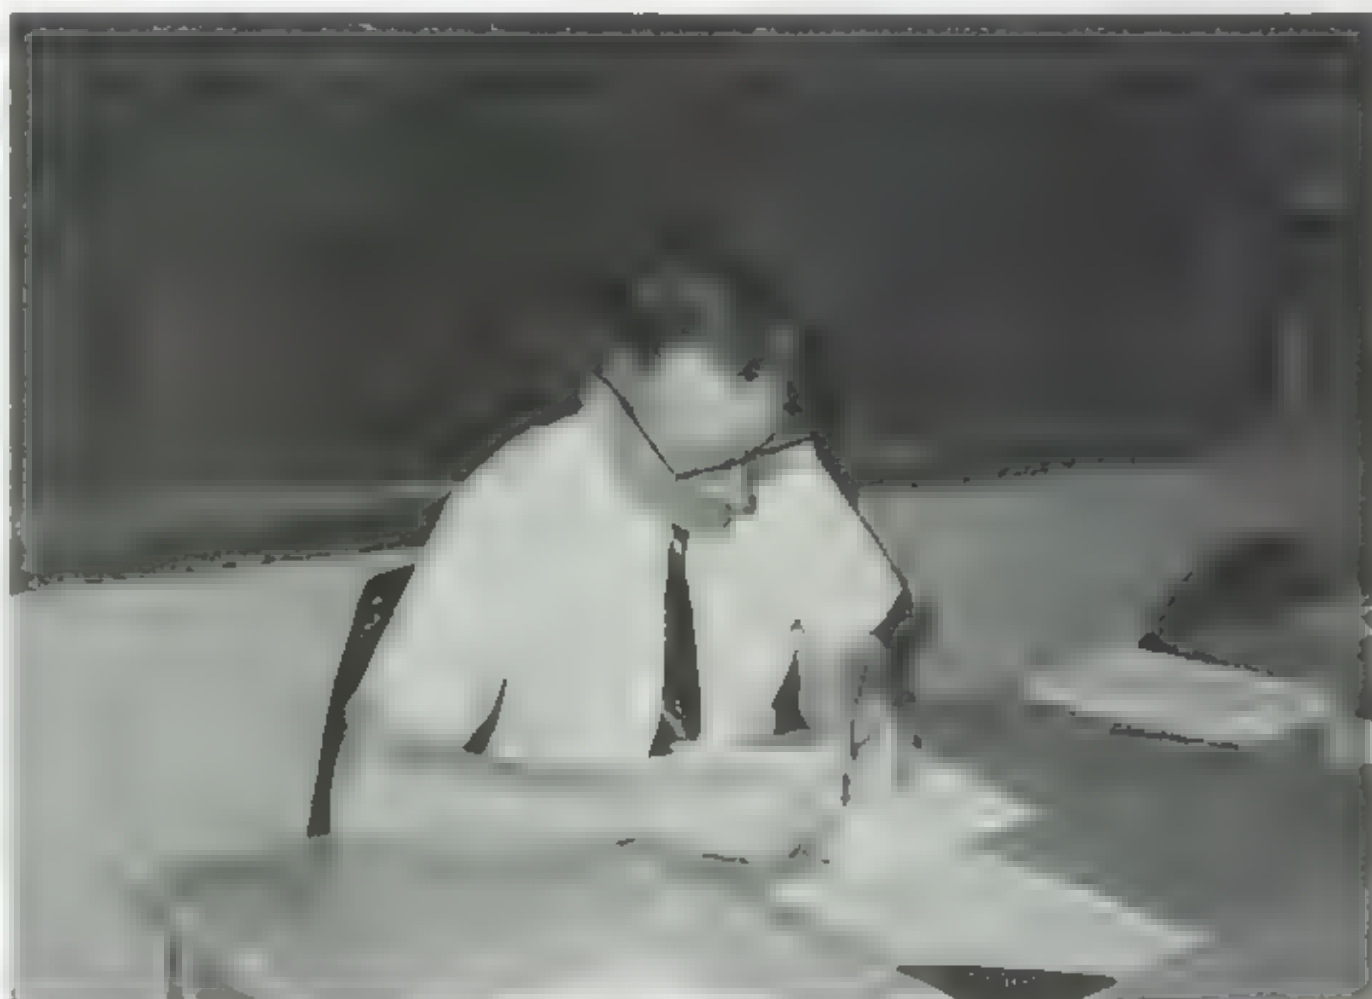

# Practical English Classes Designed For Students

## ENGLISH

This year the English department is very much different than in years past. The seniors have four types of English to choose from, they are: Regular English, Business English, Creative Writing, or Senior Composition. This program enables them to pick the English course in which they would be most interested. The juniors have American Literature. Sophomores have one semester of speech, one of grammar and literature. The freshmen have grammar and literature. English is a very important subject. Through each student's life he will use what he has gained from it in high school.

## SCIENCE DEPARTMENT

General science is the freshman course which meets the graduation requirement. Our college preparatory students, who need at least one year of a laboratory science, can choose between Biology, Chemistry, or Physics. The science department is designed to prepare our students to be better citizens in an increasingly technical world by giving them an understanding of the scientific principles involved in the latest advances. It is also geared to prepare students for work in their college science classes.

## HOME ECONOMICS

Although sewing and cooking are helpful in everyday life, so is economics. Therefore, emphasis in home economics is being placed more on consumer purchasing and management of a household, since the woman often holds an outside job. The modern housewife must be able to budget her time more wisely than her self sufficient maternal ancestors. The curriculum is directed toward educating girls for their future roles as homemakers.

## INDUSTRIAL ARTS

The Industrial Arts Department consists of work in wood, metal, drafting, electricity and auto shop. Each year they sponsor the Father-Son Bar-b-que. The purpose of this department is to help students with hobbies or vocational training.

## FOREIGN LANGUAGE

The Foreign Language Department includes Spanish, French and German. The students learn to speak, write and read in the specific language. The classes also study about the lands from which the languages originated. The classes use the language laboratory where they listen to tapes. This way the teacher can work with the students individually.

#### SPECIAL EDUCATION

Special Education is provided for students who are not able to take advantage of the regular curriculum of Norwalk. Students who might otherwise drop out are encouraged to stay and learn at a slower pace. This way they will graduate with their class. Our special education class has been very successful for many years.

Mrs. Gygax is our school nurse. She has proven her capabilities as a nurse. She is there when needed in emergency or in routine cases.

Counting the money is a big job.

#### FOOD SERVICE

This is a new class added this year. It has been very successful. It is a two-period class, one period taught by a home economics teacher, the other taught in the cafeteria. They get experience that will help them in future work in a restaurant or cafeteria.

## Services Performed

Birthdays are fun, aren't they?

Connie Schrader has a most difficult job. She keeps the school accounts up to date. Any exchange, borrowing or paying of money at Norway goes across her desk. It is very detailed and complicated work and she does a fine job. It would be difficult to replace her. Thank you, Mrs. Schrader.

Mr. Del Westland is the Director of Activities here at Norway. He takes care of the master calendar and is aided by Student Director of Activities, Debbie Wilkins. All activities and assemblies are planned through this office and the student body cabinet meets here each week. We've enjoyed the assemblies and activities this year.

Mrs. Janet Fleshner is the girls' gym attendant. She keeps track of the equipment and keeps the locker rooms in order. She works for and with the girls' P.E. teachers.

Mr. Kimble, Boys' V.P., was Santa Claus at Christmas time for the Child Care classes. Ho-Ho-Ho.

# Varsity Has It

Out in the open Mark Gilliland completes a pass from Gene Haller

This year's Varsity team showed high spirit and worked well together. They did very well in pre-season games, but ran into tough competition in league games. A great deal of individual effort could be observed in tight situations. Although the starting line-up was composed mostly of seniors, there will be a lot of returning talent next year.

## Water Poloists Splash To Success

The three water polo teams had a very successful season. The Varsity team, although lacking the depth of last year, showed great form, taking second place in league. The Bee's swam to an easy first place, being undefeated in league. After a hard-fought season, the Cee's, mostly new freshmen, ended up in a tie for second. It was Coach Quayle's first year at Norwalk. He stated, "The boys did well because they worked together as a team."

#### G.A.A.

Girls' Athletic Association provides fun, exercise, and development of athletic skills for many Norwalk High girls.

Competitive sports, including volleyball, basketball, tennis, badminton, baseball, flag football and archery are practiced, leading up to the quarterly Play Days.

The Play Days are held at different high schools with girls from the four other high schools in our district. Awards are given to the best teams. Norwalk won two second place ribbons in flag football.

Another highlight of the year is the Sports Day at Cerritos Junior College. The Norwalk badminton team brought home a first place trophy from Cerritos.

## G.A.A. Girls Promote Good Sportsmanship

Left to right: Roxanne Trussler pitches a perfect game for her team. Flag football was an enjoyable sport for the Norwalk girls. Patty Johnson, one of the best archers at Norwalk, shows the perfect form that won her games.

The Freshman class has been quite an active group on campus during the past year. They began the school year by participating in the Homecoming decoration contest on campus, with the help of Mrs. Wells, the Freshman advisor. The next project undertaken was the election of class officers. With John Eshom as the new president, things began to start moving. They planned money-making activities such as a car wash and a dance. The Freshman class has had a successful year and is off to a good start at Norwalk High.

The Sophomores have had a very busy year. For decorations at Homecoming they very creatively added color and imagination to the area by the English Building and Library. Their candy sale in March was very successful with the sale of over 9,000 candy bars. Other fund-raising activities, a car wash and a dance, were planned. Enthusiastic Sophomores also selected class rings for their big step forward as upperclassmen.

# During The Year

"Are you sure it's supposed to look like this?"

Nancy Husband does her best on the N.E D.T. Test.

David Cuen enjoys working in shop.

The Junior class opened the school year with the annual Howdy Hop, which was a great success. During Homecoming the decorating of the administration building and cafeteria was the pride of the Juniors. A money-making dance was held in January and added a substantial amount to the Junior treasury. The Junior cabinet and other interested Juniors also chose senior sweaters and started making plans early for the Senior All-Night Party. The Junior-Senior Prom, held at the LaMirada Country Club was a great success thanks to the efforts of the Junior class.

# 1968 Senior Class Officers

## NORWALK HIGH SCHOOL

Senior Class Officers from left to right are: Linda Wagner, Historian; Joannette Sanchez, Vice-President; Ed Rodriguez, President; Carol Pickrell, Secretary, and Margaret Baird, Treasurer

The Senior Class Officers did a fine job this year. They were responsible for the successful Homecoming Week, various paper drives, bottle drives, a senior dance and the All-Night Party. They also had sales such as the Senior Key sale and a candy sale.

Norwalk says congratulations to the Sealbearers of the class of '68. In order to become a Sealbearer it is necessary for a student to make C.S.F. for four semesters, including one as a senior. California Scholarship Federation is an honorary academic organization requiring at least 3 A's and one B, excluding P.E. It is very difficult to become a member. Therefore, these students are our very best and we of Norwalk High are proud of them. Seniors who became Sealbearers after second semester are not pictured.

Miss Ferraro runs over the assignment with Senior Bob Herricks.

Miss Carol Ferraro was chosen as the Seniors' favorite teacher. She has been with us at Norwalk High for two years. She teaches 4 periods of American Government and one period of World History. Her plans for the future include continuing school both as a teacher and a student and also traveling.

## Miss Carol Ferraro - Seniors' Favorite Teacher

"Hold out your naughty paw, Steve."

"I definitely feel that needs improvement."

# Editor's Farewell

Once again the El Lancero has been completed. We of the El Lancero staff have accomplished our final goal. For those of us who are seniors, we have also reached a goal. We have reached graduation.

Four wonderful and unique years of our lives have quickly passed. We have witnessed within these years homecoming games, proms, faculty talent shows, pep rallies, and piles of homework. These have been indispensable ingredients of our high school years.

As we leave Norwalk, we are leaving behind the underclassmen. To the freshmen and sophomores, you have ahead of you several exciting years. To the juniors, next year is your last year—make it the best. To the faculty and administration, we express our personal thanks for the guidance and knowledge you have given us, the class of '68. Most of all, we express our thanks to Mr. Rodgers, who, as our principal, has been unselfishly dedicated to his profession.

As we look back upon these years, and express our many gratu- tudes, we must not think that this is the end. This is only the be- ginning. Before us lie responsibility, adventure, and decision.

*Evelyn Brandt*

Evelyn Brandt  
Editor-in-Chief,  
1968 El Lancero

As this year's annual goes to the publisher, we have been informed that Principal Orval Rodgers plans not to return to Norwalk High next year. He will be leaving with the class of '68. We could jokingly ask, "Were we too much for you, Mr. Rodgers?" but we would know that that could not be so.

There are many people, students, faculty, staff, parents, who feel that Norwalk High will suffer a loss as this man leaves. Twelve years is a long time to work with the same principal, especially if in the working together, a high school has been built.

It is difficult to assess the amount of credit due to one man. And it is an over- simplification to isolate one quality in a man and call it "him." However, in Mr. Rodgers, one outstanding quality has been generally recognized as his strength and through him, it has permeated the entire working staff of Norwalk High School. The quality of understanding people is as much a part of Orval Rodgers as his heart is. To accept, to listen and to understand with feeling is an ability rare. This under- standing has been given to so many of us so unsparingly that it is a wonder that there is any of the man left.

With understanding, Mr. Rodgers has kept faculty united, students content, parents satisfied, administrators and staff pulling together to accomplish the task. The strain of such efforts is exhausting and a person must sometimes wonder if it is all worth- while.

We feel that it has been worthwhile, Mr. Rodgers; and that to build a school and maintain it for eleven years and to evoke the affection of literally hundreds of young people and adults over the years is as great an accomplishment as one man can achieve.

We of the El Lancero Staff, believing that we are speaking for the student body and the school staff and even the community would like to thank you so much for what you have given and to wish you all success in the coming years.

And in the words of a few dear old comrades, "Hail, the Chief!"

Steve  
I'm glad to say because  
I'm sick & you want to  
buy your stuff. I want to  
buy yamaha rules and  
Honda are dogs.

I love  
that can I eat  
our really a cool  
we had a lot of laugh  
stay high and keep

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1801. It contains a statement of the President's views on the state of the Union and the progress of the government.

2. The second part of the document is a report from the Secretary of the Treasury, dated January 10, 1801. It contains a statement of the Treasury's views on the state of the Union and the progress of the government.

These  
are a cool  
one and he  
will be good.  
I will run during the  
summer and great luck in the future

What you are in  
school you can do what  
you want. Just don't involve  
any of your friends and everyone  
will be great

Have fun in the  
summer and future  
glance. Write out for  
College. Make out for  
'68 Perkin.

Have a great time  
in the future as I  
have had knowing you  
and I wish you plenty  
of good luck

Steve,

Well, we ~~to~~ don't have to  
put up with Walter  
any more, but there's  
always someone just  
as bad around the  
corner. Oh well, have  
fun this summer, and  
best of luck always.
